THAMES VALLEY POLICE

STRATEGIC PLAN

19/
20

Thames Valley will deliver an excellent service and be regarded as an outstanding force

- We will focus on crime reduction and the disruption of criminal activity, creating a hostile environment for those that would do harm
- When people call us for help we will provide a caring, effective and swift response to those in need
- Where crimes are committed, we will investigate appropriately and relentlessly seek justice for victims
- Our response to major and serious incidents and our policing operations will be first class

The public will know that when things are at their very worst for them we will be at our very best.

Through these endeavours our communities will have high levels of trust and confidence in Thames Valley Police.

Reduce crime and incidents through targeted and effective problem-solving

The Force will focus on:

Knife crime;
The disruption of organised crime groups, including those committing rural crime;
County drugs lines
Making best use of our time and resources by effectively reducing need.

Bring more criminals to justice by improving the quality and timeliness of investigations

The Force will focus on:

Residential burglary;
Robbery;
Violence with Injury;
Rape and serious sexual offences;
Increasing overall positive outcomes.

Improve how we protect the vulnerable by pro-actively identifying, understanding and reducing risk and harm

The Force will focus on:

Domestic abuse including stalking and harassment;
Exploitation;
Vulnerable victims of fraud.

Increase the satisfaction of victims and other people in need by responding appropriately and improving communication with them

The Force will focus on:

Improving non-emergency call answering times;
The timeliness of our initial response;
Understanding caller and victim expectations;
Improving the updates provided to victims;
Our response to major and serious incidents and policing operations.

Sustain a valued workforce with the capacity and capability to manage the challenges of modern policing

The Force will focus on:

the retention, recruitment, development and wellbeing of all officers and staff to effectively tackle the most serious, complex and challenging threats or risks facing the organisation

Manage resources to invest in priority areas and maintain core policing services

The Force will:

ensure the available resources are managed to maximise investment in priority areas; develop our understanding of current and future demand; and manage planning processes within a clear governance structure.

Implement digital development, integrating new technologies to advance our organisational and operational response

The Force will deliver:

an effective digital strategy, adopting innovative business, process and cultural change that will maximise the investment in technology and improve service to the public.
