	<b>PLANNING MATTERS</b>	
27/20	<p><b>New Applications to be considered</b></p> <p><b>P19/V3343/FUL – Chapel Field, Fawler Road.</b> New barn for lambing and storage of animal food and farm machinery. The Parish Council had objected to the previous application which was withdrawn pending a DEFRA agricultural certificate. The only change is that the building is now called a lambing barn. It is exactly the same building. It was questioned whether an agricultural certificate had been received. If not the previous objection should stand. A site visit was suggested. Cllr Jenkins agreed to speak to the agent. It was pointed out that the existing barn is visible from White Horse Hill, so the new one will also be. It was suggested that the PC request that a condition to ensure that any future development of the barn be subject to a full planning application. The response depends on the presence of an agricultural certificate. <b>Afternote:</b> The case officer has advised that she has requested additional information. On receipt of this the Parish Council will be re-consulted.</p> <p><b>P19/V3328/HH and P19/V3330/LB – Meadowgold, Upper Common Lane.</b> Demolition of existing single storey sunroom, WC and study and construction of new two storey and single storey extension to the rear elevation. Internal alterations to the ground and first floor layout, the repositioning of the existing staircase, stud partitioning to create a utility room on the ground floor and new bathroom and bedroom on the first floor. New patio to exterior of family room and kitchen. It was agreed that the response was ready to be submitted.</p>	<p style="text-align: center;">SJ</p> <p style="text-align: center;">Clerk</p>
