

WELCOME!

**The intention of this Welcome Pack is to provide some of the local information likely to be needed by new arrivals to Uffington, Baulking, Woolstone and Shellingford.
(No guarantees can be given.)**

We, the residents of Uffington, Baulking, Woolstone and Shellingford extend a warm welcome to you, as a new resident. We hope you will find the information in this pack useful. If you want to know more about our busy villages, we suggest you browse the Uffington Village website, which can be found at <https://www.uffington.net/> and the notice boards outside the Uffington Village Shop, St. Nicholas Church, Baulking, outside The White Horse Inn in Woolstone and on Church Street in Shellingford, which advertise local events and other useful information, including from the Parish Councils / Parish Meetings.

Other communications in our villages

‘The Courier’ is a quarterly publication (spring, summer, autumn and winter editions) sponsored by Uffington Parish Council, which is delivered free of charge to all households in Uffington, Baulking and Woolstone.

There is also an e-mail network of topical information which is sent weekly to those who have signed up for it. If you wish to join please notify Simon Jenkins on 820776 or simon.jenkins@uffington.net E-mail addresses are held securely and not disclosed to other recipients.

The villages of Uffington, Baulking, Woolstone and Shellingford have been recognised as a community, with all the essential elements of a pleasant place to live, and have, as this directory will show, a wide diversity of organisations, businesses, services and leisure activities available to local people. Perhaps it is because of the distance from other large communities, or the people who live here, or perhaps it is the influence of the White Horse itself looking over our villages, but, whatever the reason, we believe there is a unique atmosphere and a lot to offer to newcomers and established residents alike.
