Ultrafast Fibre Broadband!

GET THE BROADBAND YOU DESERVE

Ultrafast Fibre Broadband

IN KINGSTON LISLE & KINGSTON WARREN!

- ✔ Are you bored of buffering?
- ✔ Sick of not having a clue about the latest show everyone at work is watching?
- ✔ Want to be able to video chat with friends and family without a static image?
- ✔ Fed up of being told you can't get a fast broadband connection or that "they are coming soon"?
- ✔ Do you just want a faster and more reliable broadband connection?

AIRBAND CAN HELP... NOW!

WHO'S AIRBAND?

Simply put, we are the **providers of ultrafast broadband to areas others can't or won't supply.**

With over 10 years' experience, trusted and funded by government and councils across the UK and with 24/7, 365 days a year customer service availability, you can rest assured, Airband will get you connected!

FIBRE IS COMING TO YOUR AREA!

Airband will be building a FTTP (Fibre To The Premise) network in Kingston Lisle - **bringing speeds of up to 250Mbps* straight to your home.**

Installation will be FREE* as we can secure Government funding on your behalf – the more people in Kingston Lisle sign up, the quicker Airband can install, so let your friends know!

BUT I'M ALREADY IN A CONTRACT?

Not to fear, switching is easy! If you're fed up with your current provider – and you're not getting the service you're paying for – check your current contract first. In most cases **there won't be a termination fee** if you're not getting the broadband speeds you were promised. Then **give Airband a call** and we can take you through the simple process of changing supplier – **we could even cover your termination fees up to £250!†**

Andrew Roberts - 07495 543046

Kingston Lisle - from demand let project from vendors & 22 projects in SO10
