	it was agreed to appoint Greg West. Proposed Cllr Jenkins, Seconded Cllr Oberman.	Clerk			
	RESOLVED. Clerk to write appointing Greg West and thanking the others.				
	b) Proposal for a bicycle repair facility. Cllr Oldnall to write to the applicant advising	MO			
	him on how to apply for a grant.	CLOSED			
	ITEM 5 – COUNTY COUNCILLOR'S REPORT				
243/22	Cllr Constance had sent a written report which had been circulated. At the meeting she reported that				
	a) A new CEO was to be appointed on 13 <sup>th</sup> December.				
	<ul> <li>b) Much work had been undertaken with respect to traffic changes in Oxford.</li> </ul>				
	c) Many local roads have recently been resurfaced and repaired.				
	Cllr Constance asked whether the CPF funds have been received – this was confirmed. There was a question over a grant for the Warm Spaces group. Cllr Oldnall was not aware of a grant request for this. Mr Rumble thought that the application had gone to the OCF but had not yet been paid. Cllr Constance to look into this. Mr Rumble to send further information. Afternote: grant received 13 December 2022 and Cllr Constance informed.  Cllr Constance asked about progress on the 20mph scheme and Speedwatch.  a) 20MPH scheme – a local consultation was held and there were 170 responses. 83% of the respondents were supportive of the scheme being rolled out to the whole village with others supportive of the scheme in parts of the village. Cllr Oldnall had been informed by OCC that this would not be surveyed until next summer. NO further action was to be taken until OCC had notified survey dates.  b) Speedwatch – the CPF grant had been received for the speedgun. The scheme was up and running. There had been one live session so far, at which one vehicle had been reported for exceeding the speed limit. Another session was due on 13th December. Cllr Jenkins thanked Cllr Constance for the grant. After note: Three vehicles were reported for speeding on 13 December.  Cllr Constance was thanked for attending.	CLOSED			
	ITEM 6 – DISTRICT COUNCILLOR'S REPORT				
244/22	<ul> <li>Cllr Boyd had sent a written report which was to be circulated. At the meeting he reported that a) The Vale offices would be closed from 23<sup>rd</sup> December to 3<sup>rd</sup> January. There would still be 24hr helplines for anyone at immediate risk or at risk of being made homeless.</li> <li>b) Waste collections had suffered due to the cold weather. They would try and catch up later this week. The Vale had published the Christmas collection schedule.</li> <li>c) Any planning applications submitted after 23<sup>rd</sup> December would not be registered until</li> </ul>				
	new year.				

	d) e) f) g) h) i)	The Capita benefits phone lines would be closed from 20 <sup>th</sup> December but open from 28 - 30 December, and then reopening in the new year.  A new leader of the District Council had been elected - Cllr Bethia Thomas.  The Climate Emergency committee meeting had been postponed until January.  A reminder that Vale had moved its offices back to Abingdon.  There was a Climate Action Fund available and the deadline had been extended to 4 <sup>th</sup> January. He urged people to apply as it had a wide scope.  Planning: P22/V0345/FUL (Sowerhill Farm) was still outstanding and he had chased about it. P22/V1141/FUL (Dragon Hill) had been approved. Residents had contacted him about this and he had spoken to the planning development Manager but it was not called to committee. Cllr Oberman expressed her disappointment that the Neighbourhood Plan had been completely disregarded. Cllr Boyd noted that this had happened elsewhere and he shared the frustration.  You was thanked for attending.	
245/22	2)		
245/22	a) b) c)	Mr Rumble asked whether there was any news about the pothole at the car park junction. He noted that someone had almost fallen there yesterday. Cllr Oldnall reported that there was no update on a FixMyStreet report he had made. It was suggested that a bollard be placed over the pothole as it would be difficult to see in snow. Cllr Jenkins had a spare cone and agreed to put it in there. Afternote: cone had been placed in position.  Mrs Pilcher raised the issues of the Chubb invoices. These had now been paid. She reported that she was still trying to get a second quote for the new heating in the museum and that she had put in a grant application for £1500 to Museums Association.  Mr Moss reported on the Church clock. The church clock had broken down in the summer and was no longer striking the hours. Options had been developed for its restoration and automation by the PCC. Cllr Banks had looked after the clock until now and carried out the regular winding. All members of the PCC had agreed that it was worth spending the money on the repairs to the clock and dial mechanisms but, whilst recognising the need for automatic winding, the final decision had not yet been taken by the PCC. This was to be debated in January at which Cllr Banks, with personal knowledge and experience, has been invited to speak to the PCC before a final decision is taken. An initial quote from Smiths of Derby for clock and dial mechanisms repairs was for £19.5k + VAT. Automation was an additional £9.2k and restoration of the dial itself a further £8.2k + VAT. He was trying to get another quote from Cumbria Clocks and Timsbury Clocks who were due to visit on 23 December. The PCC had raised over £12k so far. The PCC was hoping to get \$106 funds for the automation as this could be considered an enhancement as opposed to a repair. Quotes were required to be submitted to the Diocese for review when received, with an application for a faculty (permission to proceed). Mr Moss was applying to Oxfordshire Historic Churches for a grant. Many villagers	SJ MO
