Opening of the new Post Office and Stores

The move of the Post Office and shop to its new premises at the Jubilee Field is now really close, with the 30th January 2014 scheduled as the opening date. This project has involved a huge amount of work from the Holborows and I'm sure you would all join me in thanking Dave and Rose for the commitment they have shown to the Village.

Proposed housing development off Station Road

Since the last edition of the Courier came out there has not been much news to report regarding the proposed development. The District Council's planning department have been examining the plans and the comments submitted during the consultation period. They have discussed the plans with various specialists and the Developers (Redcliffe Homes), who agreed to an extension in the time the District Council has to consider the application. These discussions may result in revised plans, but we have had no news of this as of today's date (02 January 2014).

Precept for 2014-15

The precept is the part of your council tax bill that comes to the Parish Council. This pays for regular expenditure (like the upkeep of the Jubilee Field and Burial Ground) and contributes towards one-off costs (e.g. the creation of the new allotments). For the year starting April 2014 the precept will rise to £13,989 (from £12,717), a rise of approximately £4 per year for each household in the Village.

Village photocopier

The photocopier in the School is run by the Parish Council. It is available for local businesses and community groups to use (e.g. for producing flyers or newsletters). The current black and white copier is now being replaced by a colour copier, so should be even more useful. If you are interested in making use of the copier then please contact Graham Banks on 820379.

Save the date - Spring Jubilee Field Tidy

The Spring tidy of the Jubilee Field is going to be at 10.00 on Saturday 8th March.

Tom Brown's School Museum

Included in The Courier is a leaflet about the Museum and a subscription form - we would love everyone to become a member of our Friends Group! To receive free membership our Friends offer to look after the museum for a session between April and October, otherwise there is a small fee of £5.00 per year. Our Friends are very important to us and we would not be able to operate without them!

Our next exhibition is 'Remembering 1914' and any information, photographs our artefacts that we can use to enhance the exhibition would be most welcome. The Annual General Meeting of the Friends will be held on Tuesday, 25th February at 7.30 pm in the museum. Please come along and hear what we have done during the past year and our plans for the future - and share a glass of wine with us afterwards.

Thomas Hughes Memorial Hall

Ladies and Gentlemen's Toilet Refurbishment

A number of estimates have been obtained. These are to be looked at in detail and decisions made on choice of fittings, finishes etc. The estimates can then be firmed up to quotations. It is hoped to make further progress early in the New Year. The work is planned for the summer holiday period 2014.

Improvements

Three of the upper level light fittings in the large hall have been refurbished to cure the flickering problems being experienced. This appears to have been successful and the remainder are being monitored.

Hall Events

Calendar Girls

The Hall hosted this latest production from the Players from 30th October to 2nd November. It 'stripped off' very nicely and was acclaimed as one of their best productions. Congratulations to the directors Vern and Lilly Dunkley, all the cast and everyone else involved.

The Watermill Theatre (On Tour) has been secured for their 2014 tour. They will be performing 'Hard Boiled', created by Rhum and Clay with Beth Flintoff. This is the same group that brought us the very successful Jekyll and Hyde production. They are coming on Friday 13th June so please make a note for your diary.

Management Committee

Members of the Hall management committee are drawn from members of groups/associations hiring the Hall or they can be independent members co-opted onto the committee. If you would like to join and influence the running of the Hall, please speak to a member of the management committee.

Uffington School

As many of you may have seen in the national papers, in relation to our KS2 performance 2013, we have been ranked 8th within Oxfordshire schools. We are also one of the top 1000 schools within the UK and with over 21,000 primary schools; this puts us in the top 5% of primary schools nationally. This is a real achievement that we are proud of and reflects the hard work of all the staff and children. We are obviously thrilled with this news and have enjoyed celebrating our achievements. We are continuing to work hard to further develop the school and to provide every child with the best opportunities possible. With this in mind we feel it is time to review and revisit our school's vision and values. We want this to reflect the beliefs and values of all school staff, children, parents and the wider community and therefore would ask if you could spend a few minutes considering the points in our questionnaire at the back of this magazine.

Afternoon Club

In November we went to the Lamb at Buckland for Christmas lunch and in December Uffington school children came and sang carols to us. We would like to thank all the children and their teachers for a lovely afternoon. We look forward to them coming.

We would like to thank everyone who supports us especially THE WHITE HORSE TRUST who so generously gave us £1,500 this helps us to be able to carry on giving free meats and outings to our members, we would also like to thank the mini bus drivers who regardless of the weather give up their time to collect those who wish to come and need a lift.

We wish you all a Happy and Healthy 2014.

We are not having our sale in January but it will be APRIL the 12th 2014 .The first meeting in 2014 will be on January 9th at 2pm in the hall.

Uffington, Baulking and Woolstone Minibus

Do you know that our community minibus makes weekly trips to Faringdon and Wantage on Tuesday and Friday mornings respectively, leaving Uffington at 9.30 and picking up passengers on the way at points convenient for them? We also alternate between Swindon and Witney with a monthly Thursday morning trip.

Passengers are set down at convenient points including the Medical Centre in Faringdon.

The minibus may be used by all members of the UBW Minibus Association, and membership of the Association is open all villagers. There is a modest fare to contribute to the cost of running the minibus. Bus passes may be used in lieu of payment.

We would like to hear from you:-

- if you would like to use the minibus and need more information.
- if you have decided against it for any reason but could help us with any suggestions for enhancements or changes to our community services which may make them more attractive for you.
- if you feel you may like to join the pool of volunteer drivers, who each do a trip about once a month.

We look forward to hearing from you.

News from your District Council.

This has been a very busy period with planning being the big issue at the District and budget 'cuts' at the County Council.

Planning at the District is still waiting for the county-wide report on SHMA, which will set the housing requirements for the next 15 years for each of the districts in Oxfordshire. Early hopes of a full report in December have been put back by Government's requirement to relate housing to expected economic growth. We still hope for the county-wide report in January so that the Vale can proceed to the second stage of its consultation on the new Local Plan for VWHDC. Meanwhile speculative applications are being made by developers aware that until we have our new Local Plan inspected and adopted the Vale planners must reflect the requirements of the new NPPF (the national planning framework) to permit all housing that is 'sustainable' and contributes to the Vale's housing land supply, or risk losing on appeal with costs awarded against the Council. With permissions already granted the Vale is now able to demonstrate a 4½ year housing land supply, but has to reach a 6 year supply because we are so far behind after years of delivering too few houses.

Currently we are expecting housing development along the A420 to reach somewhere near 2,000 new houses by 2029. Proposals known so far suggest new housing developments of about 400 in Shrivenham; 400 in Watchfield; 400 in Faringdon; and 400 in Kingston Bagpuize with permission granted mid-December for 200 houses between Great Coxwell/Faringdon. These houses won't all be built together, but combined with 8,000 intended for the eastern villages of Swindon, the demand for increased infrastructure is becoming a priority. We will need schools and road capacity and health services to cope with thousands of new residents, and I am pressing for the developers to make proper contributions to these new requirements. We can't demand all we would seek from the developers because they are required to deliver 40% of their developments as 'affordable housing', which is a sensible priority.

At the County Council I have been pressing the case for attention for the A420 at every

opportunity. It has been decided to draw up a new Local Transport Plan to take account of housing developments not predicted when the last plan (LTP3) was adopted in 2011. I made sure to be a member of the new working group for LTP4, and was elected to chair that group, which ensures that the western villages are given proper attention.

The Western Vale Villages Consortium (WVVC) commissioned an independent traffic report early in 2013, which has been demanding attention from both Swindon Borough Council and Oxfordshire County Council. A meeting is fixed in early January between the technical experts of both authorities to examine that report. I will be there to chair that exchange and hope to see some agreement on the priorities before the first big planning application for 2380 houses at South Marston goes before Swindon's planners. We are all indebted to the WVVC for timely work which has now won serious attention.

So it's been busy and your interests are presented at every opportunity!

The County Council is facing budget reductions totalling £274m in the next 4 years, which is a challenge not met before. The first stage reduced spend by about £214m, and I have witnessed the work to find the additional £60m savings in the budget for next year. I am impressed by the thorough work of the officers to find innovative ways of delivering services and with new-found efficiency. It may well be that the County finds it will deliver more for less, which is the challenge Government is setting all public spending.

Delivery of all County services will continue to be monitored by formalised Locality Meetings of the County Councillors and officers for a wide area. I am to chair the Wantage and Faringdon Locality Meeting, and at our January meeting we expect reports on the maintenance of the roads, S.106 agreements (developer contributions), schools performance, and attendance at day centres for the elderly, as well as Network Rail's declared plans for electrification of the local network, especially bridges and road closures. I will let you know how we are doing in my next report. Happy New Year to you all!

The most important event in the village will be the opening of the new shop. As I write it is becoming a thing certain at last, so its time to celebrate a bit and appreciate the extra ordinary service we get from Rose and David. This picture was taken at the Vale's Community Awards lunch at end of October when they received their Award for their outstanding care and attention for the village. They provide the 'heart' of the village; every service possible is

delivered by them (I remember being so impressed how my mum's repeat prescriptions were organised by the shop) and the effort they will make to get all we ask for is well known and well used. And of course the shop is where we meet, and connect and see unexpected people and stay in touch and life in the village would not be the same without them. So I nominated them for a Community Award for their very special service to us all, and hope you will also celebrate their achievement in getting this new shop planned, permitted, funded, designed, built, and stocked (we hope!) every stage was difficult, and they have been remarkable; resilient and determined and somehow optimistic they would make it happen. Behind the scenes there have been more delays and challenges than any project deserves, but Rose and David soldiered on with a little (actually a lot) of help from their friends and the building is a triumph of commitment and courage and dogged determination I have admired and now want to celebrate. This is a real achievement, which serves us all, and we send thanks to them for this very special service in our village.

Best wishes for 2014. We'll have a great new shop to enjoy!

1st Sunday of each month - One Family service - an informal service for all ages in the church,
3rd Friday each month - Messy Church held in the Thomas Hughes Memorial Hall.

You may like to know:

Rosanna has now returned to full duties as our Priest in Charge after her sabbatical during September to December.

At a special service in Christ Church Cathedral on 2nd November, Beryl Packer was licensed by the Bishop of Dorchester as a Licensed Lay Minister (LLM). 61 parishioners from the 4 churches in the benefice packed into a coach to attend the service, after which a lunch for over 80 guests was held in St. Mary's.

We were greatly saddened at the death in December of the Reverend Canon Jim Payne, after a short illness. Jim served as Curate and as the senior member of the Uffington Benefice Ministry Team, after retiring from nearly 30 years in full-time ministry with his wife, Dorothy, in Lagos, Nigeria. His funeral in Shellingford on 10th December was well attended.

The Friends of St. Mary's are raising funds for the complete refurbishment of the priest's room, over the main porch, which has been lying derelict for many years. The room will be fully insulated and heated, and could be used for small meetings. It was fully re-roofed two years ago as a first step towards its reinstatement. Our Architect has drawn up provisional plans for approval by the Diocesan Advisory Committee. The plan shows access to the room from the organ loft, which will avoid the problem of resurrecting the collapsed spiral stone stairway.

From the Registers:

Baptisms: 21st December - Maximus Steven James Koller
R.I.P: 2nd December - The Reverend Canon Jim Payne.

All Change!

The current churchwardens, secretary and treasurer will be retiring in 2014 and so are looking out for willing souls to succeed them. This is an opportunity to become more involved in the life of the church, to see how it works, see where your money goes and perhaps bring some fresh ideas. Or - come and have your say by becoming a member of the PCC. Please form an orderly queue at the Annual Parochial church Meeting - first come, first served.

Bell Ringers!

We have an active band, but our numbers are small and we are only able to ring for a Sunday service with the help of neighbouring parish bands. Practices are held on Tuesday evenings at 7:30 pm - it's a sociable and healthy skill - come along and give it a go, or ring (on the telephone, that is) Hugh Baxter 820014

Church cleaning and churchyard maintenance?

The duties are not onerous - contact Jo Trichler, Tel 820463 (cleaning rota) or Graham Banks, Tel: 820379. Churchyard maintenance on the third Saturday of the month mornings, once a month except August, December and April - bonfire specialists welcome.

Shiny brass-work or flower arrangement?

How about joining the church brass-cleaning or flower rota? Please contact Jackie Wyard on 820647

The current Parochial Church Council (PCC) comprises the Vicar, Churchwardens and the following ordinary members: Michael Lord (Secretary), Eleanor Banks, Valerie Chapman, Patricia Dalrymple, Simon Doyle (Treasurer), Helen Evans (Minutes secretary), Sue Jennings*, Derek Kelsey, Beryl Packer*, Sue Saunders*, Martin Welland* and Jamie Wiltshire
*= Ministry team member

Churchwardens: Fay Forster (820363) and Carl Oberman (820230).

Messy Church

Messy Church is going well, with an average of 57 people attending each month, and enjoying lots of crafts, a short celebration service and a sit down meal. Themes recently explored were -'Jesus, the Light of the World'; 'Preparing for Christmas'; and in December, Christingle at St. Mary's church.

People very kindly donate cakes, and the volunteers provide the food, which is always tasty. Thanks to Liz Doyle and her team for serving us, and the many folk who help with setting up, clearing up, crafts and the creche.

Our themes this term will be- January 17th -Our Families; February 21st - Zacchaeus; March 21st - Spring Festivals; April 18th - Easter.

We meet on the third Friday of each month after school, starting at 3.30pm and finishing at 5.30pm. Do come along and enjoy this informal way of learning more about Jesus and the Bible, and make new friends, or volunteer! It is for all ages, you are never too young or too old. You will receive a warm welcome.

Uffington, Baulking and Woolstone W.I.

Our group held a flower festival table decoration demo on Saturday 7th December. when around 23 people listened to Hazel, our demonstrator, show us her skills on making table centre pieces. She made it look so easy and indeed her students did in fact create really nice pieces of work which they were proudly going to put on display at Christmas. We enjoyed a really nice hot lunch cooked by members of our W.I. and all profits from the day are going to be given to the Thomas Hughes Memorial Hall for their new table fund - this was around £600.00.

On Tuesday evening of the 10th December we had our Christmas party. We started by watching a viewing of 'Baulking goes to Bethlehem', a film produced by Baulking resident Joy Read last Christmas. After this we had nibbles and puddings and we then went on to enjoy a rather hilarious 'Beetle Drive'. Our next get together will be in the New Year on Tuesday 21st January

when Doctor Robert Russ will talk about diabetes. All are welcome to join us.

Hope everyone had a Happy Christmas and will have a Happy New Year.

Uffington Players

Apologies to our devoted Panto lovers - sadly this year the Uffington Players won't be offering the usual village panto.

HOWEVER there are exciting plans for future productions, and we invite you all to an OPEN EVENING on SATURDAY MARCH 1ST 2014. Come along and see what we get up to - both on stage and behind the scenes - there will be displays of costumes and props, plus workshops and entertainment with and drinks and nibbles to keep you going!

Please tell your friends and come along and support this event. Sit back and enjoy or participate as much as you want to. Who knows, you may even consider joining in the next production. Watch out for further publicity appearing on the Players website www.uffingtonplayers.co.uk, the Hall website www.thmh.co.uk and posters.

New Post Office and Stores

As you will all have noticed the new shop is well on the road to completion. The builders finished the internal work on 20th December and hope the exterior work, access and car parking, will be complete by the 20th of this month. The completion of the internal work has allowed us to get on with the shop fittings which we hope to complete by the 30th of this month. The old Post Office will close at 1pm on Tuesday 28th January and re-open on Thursday 30th January with the new shop.

Thank you all for your support and we look forward to seeing you in the new shop. Happy New Year to you all.
